

Clubhouse Usage Agreement

_____(name), the owner(s)/tenants(s) of Lot _____, would like to book the clubhouse for an event to take place on _____ (date of event). I/we understand that according to our bylaws, we cannot be granted 'exclusive' use of the clubhouse.

A. I/we understand that at the end of the event we will ensure the clubhouse is cleaned, including the kitchen, table surfaces, floors vacuumed, swept and or mopped if needed, generally left in a tidy condition. If no event is booked for the following day, cleaning may be completed the next day, no later than 11AM.

B. I/we understand that we are responsible to ensure the propane fireplace is turned down, and all lights are turned off and door is locked when we leave the clubhouse.

D. A \$50.00 returnable damage deposit along with the Clubhouse Usage Agreement (this form) will be required at the time of booking to ensure the above are followed. This may be sent by cheque to the office, or dropped off in person prior to the event. Once a damage/cleaning check is completed, following the event, the deposit may be picked up from the Strata Office.
